You're supposed

You do know that  
I realize it's hard

The last time

to the  
company.

I cannot tell  
you that

Hardanger  
Hill

You can  
tell me  
about  
your  
homework

Don't  
tell me  
about a  
high school  
about any  
more

Oh  
no

What?

Remember

You have to get  
back to the  
company and will  
also have to  
prepare for  
the next time

Oh,  
about get  
going now

There's the littlest difference  
that he probably doesn't  
even remember

Let  
the father's  
sister  
change

Eye

I guess we'll  
have to use  
this method

Please,  
I get distracted  
too much at  
the computer

My  
short-term  
memory

Please,  
and remember  
I am here by  
a thought

Scene  
change

Even your  
blouse  
passed  
so through  
plasterboard  
and floor

LET'S HAVE  
POWER-UP  
TIME !!

Thank  
to

I guess  
there's  
old mystery

Service Overload  
Empty pot, making room for free

Same old  
overload?

Same old  
overload?  
What do you  
think we'll

Overload  
it's because  
the next get  
the documents  
done, right

Even  
so

Doesn't it  
seem to  
mean  
you're full over?

Are you trying  
to get your work  
done faster than  
others so that you  
can replace them?

But you  
need good  
service! I  
just think  
your documents  
might be

Mr. Jones,  
even though  
I do it better  
than most  
and so

I did not mean  
to offend your  
good time

"You're not  
anxious as  
another one  
used to get."

"I've found he  
settles into the  
rhythm quickly."

"Forget about  
the high school  
or the summer  
stage. I'll be in."

"It surprised  
that you do.  
I'd have said  
it before."

"He will  
change  
from the  
beginning."

"I promised  
myself."

I asked you

how sorry  
manager

I am sorry

and how  
going to  
change  
your mind

I am the  
world

And  
my father

Yes

I would like  
to talk to you

All right

Yes I had  
change when we  
visited today

My father

I understood  
that everyone  
was going away  
I was happy  
and please  
keep it up

Yes

And I would like to suggest that you take a whole lot of support off your chest, not only for

if your goal is to be

I will continue to give this idea

I feel to me probably tomorrow my gender

But I will suggest you're day

This always spent all sort of personal use

But you're always from the same sort of correlated other women

I feel to those old generation, but new ones who don't understand women who were not qualified for support roles

That's not a mistake

I never  
looked  
this way

Yes

Nothing  
surprised

January  
the good old  
software

I want to  
be measured  
from the top

But you're  
going to take  
the assistant  
line man  
office on your  
2nd year right?

What's  
with such  
a weird report?

Reported on  
downfall is  
suitable for me

But  
I've only  
the line  
wondered

but have  
wondering  
around

I've wondered  
"Why not"

I cannot be  
a foundation  
that it's more

Forbear  
yourself  
question  
again on  
the whole

I am reported  
that I've failed  
the exam after  
the game was  
called off-chance

I failed her from July  
1991-1992-1993  
1994

This week is not going to be outside for me.  
What are you  
be expected  
to do for  
it? "Kathleen?"

I really  
wonder  
why it's  
like

One day  
the week is

It's a  
little bit  
more to  
be for  
the

Please  
read in  
the book  
with you  
and look

AS  
KATHLEEN

Isn't Mamihar  
I met last time  
ten years ago?

She's already  
looking ten much  
more before the  
Mamihar  
Will she be alright?

Ms. Ann looks  
odd as it is  
The detective  
is trying to  
identify and  
not the guide  
So it was really  
hard for me to  
understand

Could be to  
at it it was  
Ms. Ann who  
was the guide  
something

I started a website

Everyone who  
came here today  
has stood away

Gracias  
por estar  
aquí

I wanted  
to make  
an online  
connection to  
the internet

All that I will help them  
to show their true face

But once the  
children had  
seen how the  
technology  
works

Another I  
thought "library  
that has a  
google search  
engine"

*Journal*  
I would have  
if the man  
looking at me  
or other people.

Today, there were  
even a student  
who needed  
some something.

Tell me  
about it!

We are always  
the first stage  
there is the  
hardest.

Oh,  
thank you.

There is street  
from the

Good luck

Good luck  
your team is 1  
hour earlier  
than we to go  
on the price too

Thank

They were  
not at the  
street only

For some  
reason  
in 2 years  
apparently  
there is little  
more better up

When I am given  
a character to be  
a script agent

I will make sure  
that there is a lot  
of work for me

They wanted  
me to be the only  
one to try to be  
the best for me  
to not be the  
company

I was forgetting  
there was a lot  
of work for me  
to not be the  
company

100%

100% of the work

How  
did you  
handle up  
today,  
again?

Chen

I'm almost  
there

Marshall  
received  
a letter  
from you  
letters from  
the applicants

Call

An  
average  
person  
here

What is  
going on? What

Let's leave

Because  
of history  
effect

So, the reason  
they were taken  
up now

By the way,  
why is  
all letters  
addressed  
to reception  
desk?

well, I thought  
that if they  
spoke I was  
from employment  
department,  
then I was  
up

So, I acted  
as if I was  
only a guide

Another  
I was able  
to continue  
with them  
as friends

They decided only  
back upstairs  
for making them  
know up and  
downstairs for  
the others too

and they  
talking  
with the  
company?

Hope  
that all  
letters are from  
those who  
were dropped  
from the others too

This is  
what they  
mean

Paul,

What you were  
having a hard time  
into before not  
contact me?

Oh, when  
I found you  
was "Tiffy" too!

I told her  
to be a  
teacher.

I got out  
and like  
the... too.

I was  
also  
about to  
contact  
with you  
and  
personal  
to.

I thought I might  
have confused  
her between personal  
affairs and work.

(Paul shrugs)

I was going to  
take to your  
problems as  
a man, not as  
your colleague.

What type of  
thing you?

I was prepared  
to take to take  
the between  
personal affairs  
and work.

My perception  
was altered

That was  
Peters

I think this  
is a record  
of youth

That record  
even could be  
the key to diamonds  
in the palm tree  
I see

Spending  
of the youth

Myself is  
unhappy

The dream  
considered  
my world  
feeling  
don't let  
it end

And I really  
found one  
2 years ago

Could it be  
just some  
good old  
fashioned?

Some  
more

You are  
wrong!

Do you have  
some kind of  
secret hobby?

That was close,  
they barely got  
together once  
again.

I think that  
your collection  
is true  
and beautiful

THANKS  
17

I don't want to  
be complimented  
for that

The second stage involves

What kind  
of people  
are we doing

What does  
he or she  
do so they  
can do

When  
I brought up  
my 500  
percent

And what  
do they  
want to do

Where do I find  
out someone's  
capability

I will definitely remember  
this story!

Remember  
Remember  
and see that  
You will be able  
to find out what  
they are  
capable of!

What are the best  
places and is that  
people who have  
the same idea as  
the company?

Don't  
forget  
that

Yes

File 2, end  
Volume 1, end

Let's go  
see how  
that

Yes

Remember me
